Vibrant community in Southeast Michigan

Touchstone Cohousing is one of three contiguous, multigenerational cohousing communities on the western edge of vibrant, multicultural Ann Arbor, Michigan. This ideal location gives you easy access to the perfect mix of urban culture, suburban amenities, and rural charm.

Touchstone is just an 9-minute drive or bus ride from the city center, with its dynamic high tech, educational, and cultural opportunities. Home to the University of Michigan, renowned medical facilities, and highly rated public schools, Ann Arbor supports small businesses and many local visual and performing artists. It is a great “foodie” town with lively restaurants, brewpubs, and farmers markets offering a variety of locally sourced food. Our easily accessed DTW International Airport is only 30 minutes away. Detroit’s museums, symphony, opera, and sports arenas are an easy 45 minutes on I-94. Chicago is easily accessed by Amtrak, car, or air. Surrounding towns with great restaurants, local shops, and superb midwestern hospitality, include Ypsilanti, Dexter, Chelsea, Saline, Milan, and Plymouth.

The community is next to the trails of the majestic University of Michigan’s Saginaw Forest and only minutes away from nature preserves and rolling farm fields. The scenic Huron River and the adjacent Border-to-Border non-motorized pathway are nearby, along with hundreds of glacially carved lakes, protected in state recreation areas. Within a few hours’ drive you can enjoy the dunes, wetlands, and open waters of four of the Great Lakes.
